

Are you doing a Master's degree in
Architecture
Urbanism
Landscape Architecture
or Interior Architecture?

Join the
ONLINE
BEP + PEP talk

The professional practice experience (beroepservaringperiode) is a period in which - after obtaining a qualifying Master's diploma - you gain professional experience under the supervision of a mentor. This meeting will inform you about the individual and integrated programme. Alumni share their experience and all your questions can be answered!

The meeting will be recorded and shared afterwards

BEP + PEP talk is organised by
